

## MiFID II Important Go-Live Information Reminder

---

The purpose of this notice is to provide members with important information for MiFID II go-live on Turquoise.

### **Long Code / Short Code Mapping**

Customers are reminded that from 3 January 2018, post trade validations will be performed on short code identifiers required to be provided under Commission Delegated Regulation (EU) 2017/580 ("RTS 24"). Customers should ensure that all short codes are accurately entered into the Member Portal prior to start of trading on **Wednesday 3 January 2018** and mapped to corresponding long codes.

### **MiFID II Deployment Guides and other documentation**

Updated MiFID II deployment guides, including details of all MiFID II activities, for Turquoise are available on the Turquoise website. All MiFID II documentation, including the deployment guides, can be found through the following link:
