## 1.0 Introduction

### 1.1 Purpose

The purpose of this document is to describe the Dress Rehearsal activities that will take place on **16 February 2019**.

The purpose of this Dress Rehearsal is to verify that all customers' applications can correctly access Turquoise UK and Turquoise Europe markets on the Millennium IT platform and that customers are able to perform trading activities and receive market data.

Successful participation to at least one dress rehearsal is mandatory for all firms.

### 1.2 Enquires

Please contact your Technical Account Manager or the Technical Account Management team if you have any questions about the customer dress rehearsal. The Technical Account Management team can be contacted at:

- Telephone: +44 (0) 20 7797 3939
- Email: [londontam@lseg.com](mailto:londontam@lseg.com)

---

## 2.0 Pre-Dress Rehearsal Activities

Before the dress rehearsal, customers are requested to have completed all appropriate steps where necessary:

- Complete and submit Turquoise Europe membership applications.
- Certification completion:
  - If client software changes made, successful completion of full certification test required.
  - If no client software changes were made, self-certification with email confirmation to the Market Access team [marketaccess@lseg.com](mailto:marketaccess@lseg.com) required.
- Request Turquoise Europe production technical configuration via Member Portal.
- Complete clearing set up by contacting the relevant CCP or GCM.
- Register participation with the Technical Account Management team by 16:00 on **14 February 2019**.

Required technical documentation is available on the Turquoise website at the following link:

## 3.0 Rehearsal Activities

Customers will need to connect using their production credentials used for both Turquoise UK and Turquoise Europe live environment.

During the test session customers are required to perform the following activities:

- Log on to all trading ID's for Turquoise UK and Turquoise Europe.
- Validate the trading functions of their proprietary and/or third party software applications. Firms should validate the following based on production functionality supported.
  - Enter/Modify/Cancel Orders
  - Perform Own Order Book Download
  - Perform Own Trades Book Download
  - Verify the correct message handling of the GTP market data feed

At the end of the test session, customers are required to verify the correct restore of their software applications back to the previous production version.

All customers are required to send an email to [londontam@lseg.com](mailto:londontam@lseg.com) confirming success of the test activity.

All real time updates of the events during the dress rehearsal will be published via the following link:
