
Turquoise Global Holdings Europe B.V. (Turquoise) Liquidity Provision Scheme on the Turquoise Lit™ Order Book

Turquoise operates a Liquidity Provision Scheme (“LPS”) relating to passive executions¹ on the **Turquoise Lit™** Order Book. This document sets out the terms of the scheme and the requirements that must be met by Liquidity Provision Scheme Participants. The Liquidity Provision Scheme will be effective when Turquoise Europe goes live and will run for just over a year.

This document will be kept up to date as required and published on the Turquoise website.

Turquoise notes that the LPS is distinct from Turquoise’s market making scheme operated in accordance with Article 48(2)(b) of Directive 2014/65/EU (MiFID II).

Eligibility

Registration to the LPS is open to:

- a) Proprietary Trading Flow² of Turquoise Trading Members being proprietary trading firms;
- b) Proprietary Trading Flow of Turquoise Trading Members with one or more IDs dedicated solely to Proprietary Trading Flow²; and
- c) Nominated Clients³ of Turquoise Trading Members.

All LPS Participants are required to complete and return a signed copy of the appropriate declaration available in the Turquoise document library (<https://www.lseg.com/markets-products-and-services/our-markets/turquoise/information-centre/document-library>).

LPS Participants falling into b) and c) are required to provide Turquoise with a list of Trader Group(s) (FIX)/Comp ID(s) (Native) solely dedicated to the LPS. Passive trading flow sent via declared Trader Group(s) (FIX)/Comp ID(s) (Native) will be segregated and will not contribute to Turquoise Trading Members’ standard **Turquoise Lit™** Order Book passive value traded tariff.

¹Passive executions means visible portion of orders posted in the **Turquoise Lit™** Order Book that are executed against by an incoming aggressive order. Any non-visible portions of posted orders (e.g. iceberg reserve, LIS Hidden) are considered aggressive.

² Proprietary Trading Flow means flow which is solely generated from the firm’s own capital with no related client’s orders.

³ Please refer to “**Turquoise Lit™** Order Book Liquidity Provision Scheme – Nominated Clients Declarations” in Turquoise document library (<https://www.lseg.com/markets-products-and-services/our-markets/turquoise/information-centre/document-library>) for the definition of Nominated Clients of Turquoise Trading Members.

Turquoise LPS Nominated Clients may have their flow for associated User IDs towards the **Turquoise Lit™** Liquidity Provision Scheme via more than one Trading Members aggregated by completing the “**Turquoise Lit™** Liquidity Provision Scheme Nominated Client Aggregation Declaration form” available on Turquoise Document Library. This declaration should be signed and emailed to sales@tradeturquoise.com 7 days prior to month end, with any aggregation request subject to authorisation from the individual Trading Members. Should the aggregation request be successful, fees will be aggregated from the following calendar month.

Obligations

LPS Participants are required to use this application form to declare if they wish to be Liquidity Providers. The obligation is as follows:

Achieve minimum 0.5% passive market share of the total passive value traded on the **Turquoise Lit™** Order Book across all markets available on TGHE.

If the above is not achieved, then LPS participants will be required to achieve minimum 0.5% passive market share of the total passive value traded on the **Turquoise Lit™** Order Book across the individual geographies.

Pass or failure of the above obligations is determined on a monthly basis across all markets or where applicable on individual geographies available on TGHE. The below incentive is only applicable when flows meet the above obligations.

Incentives

The incentive is a dedicated tiered schedule such that an eligible LPS participant will receive an improving negative fee as they progress through the tiers in any given month as per Section 2.2 of the Turquoise Europe Tariff Schedule.

The scheme is to be run for just over a year.
