## Aggregation of Members' Trading Activity to Group Entity for Fee Purposes – Extension to Liquidity Provision Scheme

Since 3 April 2018, Turquoise Members within a single group entity have been able to request Turquoise to aggregate their trading activity at group entity level for the purposes of the calculation of trading fees and provisioned capacity fee.

From 3 June 2019, Turquoise intends to extend aggregation by group to include firms registered in the Liquidity Provision Scheme who are currently monitored and assessed on a per member basis.

Existing and new members must complete and sign the "Aggregation Declaration Form" available on the Turquoise Document Library ([here](#)) and send it to [sales@tradeturquoise.com](mailto:sales@tradeturquoise.com) by 17:00 London time on the last business day of the month in order for their fees to be aggregated in the next calendar month.

To view existing tariffs, please refer to the Turquoise Tariff Schedule, available at: <http://www.lseg.com/markets-products-and-services/our-markets/turquoise/fees>.

Best Regards,

Turquoise
