Turquoise Customer Development Service (CDS) Turquoise Europe Upgrade

The purpose of this notice is to inform customers that the Turquoise Customer Development Service (CDS) environment will be closed on **1 and 2 November 2018** in order to perform upgrade activities for Turquoise hard Brexit contingency plans.

From **Monday 5 November 2018**, the new Turquoise Europe MIC codes will be available in the CDS environment as follows:

- TQEX – Turquoise Europe, **Turquoise Lit™** (also Turquoise Europe's Operating MIC)
- TQEM – Turquoise Europe, **Turquoise Plato™**
- TQEA – Turquoise Europe, **Turquoise Lit Auctions™**
- TQEB – Turquoise Europe, **Turquoise NYLON Cash Order Book™**

The new MIC codes will be available for use in the existing trading and market data messages and will be populated in the CDS instrument reference data files.

Existing CDS Member IDs and technical configuration will be configured for Turquoise UK and will only be permitted to enter orders in UK, US and Swiss securities. Orders entered in any other European securities will be rejected on these sessions.

Customers can request their new CDS technical set up for Turquoise Europe by contacting their Technical Account Manager or the Technical Account Management team at londontam@lseg.com.
