Turquoise Europe updates

Further to previous market notices outlining Turquoise's Brexit contingency planning, Turquoise is now releasing the following documentation, to be made effective in the event of Turquoise Global Holdings Europe B.V ("TGHE" or "Turquoise Europe") being made operationally live:

- Turquoise Europe Trading Tariff Schedule;
- Turquoise Europe Liquidity provider Agreement Application Form;
- Turquoise Europe Turquoise Lit™ Liquidity Provision Scheme - Description of the Scheme;
- Turquoise Europe Aggregation Declaration Form

To view the new documents and complete range of licences and charges, please refer to the Turquoise Document Library, available [here](#).

Subject also to TGHE going live on 15 April, Turquoise will amend:

- the eligibility criteria for the existing New Member Package (NMP), and in which case further details will be provided; and
- to facilitate Members in their Logical Connectivity for the month of April, Front Office logins (transactions per second (tps)) will be measured only between 23-30 April rather than the whole month.

If you have any questions on this Notice or would like to discuss any of these points further, please contact the Turquoise Sales or Membership teams on the numbers listed below.
