
Turquoise Notice

24 October 2019

Turquoise Technology Release and Brexit Contingency Planning Update

The purpose of this notice is to inform customers that following a successful customer dress rehearsal the Millennium Exchange trading system upgrade will be made live on **28 October 2019**.

Customers should ensure their software for this release has been upgraded and certified in accordance with the required changes. Reference data will be produced in the current release format on Friday 25 October by 6pm London Time as per normal. The Reference data in the new release format will be available once the production release is implemented, and will be available no later than 1am London Time on Monday 28 October. The Turquoise Technical Documentation has been updated to reflect the new release changes and can be found in the Turquoise Document Library, Next Functional Release section: <http://www.lseg.com/markets-products-and-services/our-markets/turquoise/information-centre/document-library>

We also would like to update customers on our preparations for a 'Hard Brexit', i.e. if the UK was to leave the EU without an adequate transition deal and/or without relevant equivalence decisions to allow cross-border services between the EU and UK to continue.

In the event of a Hard Brexit on Thursday 31 October 2019, Turquoise would maintain Turquoise Global Holdings Limited (Turquoise UK) order books as they exist today and launch parallel order books for Turquoise Global Holdings Europe B.V. (Turquoise Europe) in European Economic Area (EEA) instruments on Friday 1 November 2019.

However, in light of the latest Brexit developments, Turquoise Europe is not currently expecting to go live on or before 1 November 2019. Turquoise is continuing to actively monitor these developments and customers will be updated via a Turquoise Notice in due course, including in respect of a possible revised go live date for Turquoise Europe.

If you have any questions on this Notice or would like to discuss any of these points further, please contact the Turquoise Sales team on the numbers listed below.

Best Regards,

Turquoise
