

Update on Turquoise Brexit Contingency Planning

We are delighted to announce that Turquoise Global Holdings Europe B.V. (“TGHE”) has obtained authorisation from the *Autoriteit Financiële Markten* (AFM) to operate a multilateral trading facility (MTF) in the Netherlands. This will allow us to offer further choice to investors and members seeking our MTF services throughout the EU and from relevant overseas jurisdictions.

The commencement of TGHE's operations is subject to a final decision of both TGHE and Turquoise Global Holdings Limited (“TGHL”). The timing and outcome of that decision will depend on considerations related to the various implementations of Brexit. This could include a ‘no deal Brexit’ as well as other scenarios that may arise such as a change to the date that the UK is due to leave the EU, other transitional arrangements that may be agreed, or equivalence decisions that may be granted by authorities.
