# Turquoise Notice

7 May 2019

## Update to the Turquoise Rule Book

---

The Turquoise Notice issued on 20 March 2019 ([“Updates to Turquoise Rule Books – Brexit Changes”](#)) outlined that the Turquoise Global Holdings Limited (“TGHL”) rule book would be updated with some changes irrespective of whether there is a Hard Brexit, i.e. if the UK was to leave the EU without an adequate transition deal and/or without relevant equivalence decisions to allow cross-border services between the EU and UK to continue.

These changes are to take effect from tomorrow, 8 May 2019, and include:

- Updating the ‘closing price’ definition to align with the Turquoise Global Holdings Europe (“TGHE”) rule book;
- Updating Section 4.1.1 to make clear that Exchange-Traded Commodities (ETCs) are financial instruments eligible for trading.

Attached is a marked-up version of the Turquoise Rule Book, a clean version is available on the Turquoise website, effective 8 May 2019.

If you have any questions on this Notice or would like to discuss any of these points further, please contact the Rules and Compliance team on the number listed below.
