Ordinary Resolutions

Resolution 1

The Directors must present the report of the Directors and the accounts of the Company for the year ended 31 March 2013 to shareholders at the AGM. The report of the Directors, the accounts, and the report of the Company’s auditors on the accounts and on those parts of the Directors’ remuneration report that are capable of being audited are contained within the Report and Accounts. Shareholders are being asked to receive the Report and Accounts.

Resolution 2

A final dividend can only be paid after the shareholders at a general meeting have approved it. Shareholders are being asked to approve a final dividend of 19.8 pence per ordinary share in respect of

the year ended 31 March 2013. If you approve the recommended final dividend, it will be paid on 19 August 2013 to all shareholders on the register of shareholders at the close of business on the record date, which will be 26 July 2013.

Resolution 3

The Directors' remuneration report, which may be found on pages 60 to 71 of the Report and Accounts, gives details of your Directors' remuneration for the year ended 31 March 2013 and sets out the Company's overall policy on Directors' remuneration. The Company's auditors, PricewaterhouseCoopers LLP, have audited those parts of the Directors' remuneration report capable of being audited and their report may be found on page 76 of the Report and Accounts. Shareholders are being asked to approve the Directors' remuneration report for the year ended 31 March 2013.

Resolutions 4 to 12

In line with the UK Corporate Governance Code, all of the Directors of the Company will retire and the following will be proposed for re-election at the AGM: Chris Gibson-Smith, Paul Heiden, Raffaele Jerusalemi, Andrea Munari, Xavier Rolet, Paolo Scaroni, Massimo Tononi, David Warren and Robert Webb. Resolutions 4 to 12 seek your approval to re-elect these individuals as Directors of the Company.

Following formal performance evaluation, the Board considers that each of these Directors continues to be effective and to demonstrate commitment to the role, including commitment of time for Board and committee meetings and any other duties. The Board is content that each of the Non-Executive Directors offering themselves for re-election is independent in character and there are no relationships or circumstances which are likely to affect their character or judgement.

Resolutions 13 to 15

Jacques Aigrain, Stuart Lewis and Stephen O'Connor have been appointed as Directors since last year's annual general meeting and Resolutions 13 to 15 propose their re-appointment as required by the Company's Articles of Association. Jacques Aigrain, Chairman of LCH.Clearnet Group Limited, was appointed as a Director following completion of the Company's acquisition of a majority stake in LCH.Clearnet Group Limited in May 2013.

Biographies of the Directors seeking election or re-election are set out in Appendix 1 to this document. All of the Directors offering themselves for election or re-election have wide business knowledge and bring valuable skills and experience to the Board.

Resolution 16

The auditors of a company must be re-appointed at each general meeting at which accounts are laid. This Resolution seeks your approval to re-appoint PricewaterhouseCoopers LLP as auditors of the Company, to hold office until the conclusion of the next annual general meeting of the Company at which accounts are laid.

Resolution 17

Shareholders are being asked to authorise the Directors to determine PricewaterhouseCoopers LLP's remuneration as auditors.

Resolution 18

The Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders. The authority conferred on the Directors at last year's annual general meeting under section 551 of the Companies Act 2006 to allot shares or grant rights to subscribe for, or convert any security into, shares in the share capital of the Company expires on the date of the AGM. Paragraph (A) of this Resolution will, if passed, authorise the Directors to allot the Company's shares or grant rights to subscribe for, or convert any security into, shares in the Company up to a maximum nominal amount of £6,250,000. This amount represents 33.3 per cent. of the Company's existing issued ordinary share capital (excluding treasury shares) as at 7 June 2013, being the latest practicable date prior to publication of the Notice of AGM. Paragraph (B) of this Resolution authorises the Directors to allot, including the shares referred to in paragraph (A) of this Resolution, further of the Company's unissued shares up to an aggregate nominal amount of £12,500,000 (representing 66.6 per

cent. of the Company's existing issued ordinary share capital (excluding treasury shares) as at 7 June 2013, being the latest practicable date before publication of the Notice of AGM) in connection with a pre-emptive offer to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems). This is in accordance with the most recent institutional guidelines published by the Association of British Insurers.

This authority will expire (unless previously unconditionally renewed, varied or revoked) on the conclusion of the annual general meeting of the Company next year. The Board has no present intention to exercise this authority.

The Company currently holds no shares in treasury.

Resolution 19

This Resolution seeks to grant the authority for the Company and its subsidiaries to make political donations to political parties, to other political organisations and to independent election candidates and to incur political expenditure.

It is not the policy of the Company to make political donations of this type and the Directors have no intention of changing that policy or of using the authority for this purpose. However, as a result of the wide definitions in the Companies Act 2006 of matters constituting political donations, normal expenditure (such as expenditure on organisations concerned with matters of public policy, law reform and representation of the business community) and business activities (such as communicating with the government and political parties at local, national and European level on matters vital to the Company's business interests) might be construed as political expenditure or as a donation to a political party, other political organisation or an independent election candidate and fall within the restrictions of the Companies Act 2006.

This Resolution does not purport to authorise any particular donation or expenditure but is expressed in general terms as required by the Companies Act 2006 and is intended to avoid inadvertent infringement of the statute by the Company. The Directors do not intend to use this authority to make political donations within the normal meaning of that expression. If passed, this Resolution would allow the Company and its subsidiaries to make donations to political parties, other political organisations and independent election candidates and to incur political expenditure (as defined in the Companies Act 2006) in accordance with the terms of this Resolution (which include an aggregate limit on such donations and expenditure made or incurred by the Company and its subsidiaries of £100,000 (or the equivalent amount in any other currency)). This Resolution has effect for the period commencing on the date of this Resolution and ending on the conclusion of the Company's next annual general meeting. Any political donation made or political expenditure incurred which is in excess of £2,000 will be disclosed in the Company's annual report and accounts for the year ended 31 March 2014, as required by the Companies Act 2006.

Special Resolutions

Resolution 20

This Resolution seeks to renew the authority conferred on the Directors at last year's annual general meeting to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares, or sell treasury shares for cash (other than pursuant to an employee share scheme) without application of the pre-emption rights pursuant to section 561 of the Companies Act 2006. Other than in connection with a rights issue or any other pre-emptive offer concerning equity securities, the authority contained in this Resolution will be limited to the issue of shares for cash up to an aggregate nominal value of £930,000 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which represents 5 per cent. of the issued ordinary share capital of the Company as at 7 June 2013, being the latest practicable date prior to the publication of the Notice of AGM.

In accordance with the Pre-emption Group's Statement of Principles, the Directors confirm their intention that no more than 7.5 per cent. of the issued share capital (excluding treasury shares) will be issued for cash on a non pre-emptive basis during any rolling three year period. A sale of treasury shares will be treated as an issue of shares for the purposes of this Resolution. The Directors have no present intention of exercising this authority and they intend to renew this authority annually.

This authority will expire (unless previously unconditionally renewed, varied or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 15 months from the date of this Resolution.

The Company currently holds no shares in treasury.

Resolution 21

This Resolution replaces the authority given at last year's annual general meeting for the Company to make market purchases of its own ordinary shares as permitted by the Companies Act 2006. The terms of the authority are set out in this Resolution. Approval of this Resolution would enable the Company to purchase up to a maximum of 27,000,000 ordinary shares of 6⁷⁹/₈₆ pence each in the capital of the Company (representing approximately 10 per cent. of the issued ordinary share capital of the Company as at 7 June 2013, being the latest practicable date prior to publication of the Notice of AGM). The price per ordinary share that the Company may pay is set at a minimum amount of the nominal value of each ordinary share and a maximum amount of the higher of: (i) 5 per cent. over the average of the previous five business days' middle market prices and (ii) the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share as derived from the London Stock Exchange Trading System (SETS).

The Directors have no present intention of making such purchases but consider it prudent to retain the ability to do so. The Directors will only exercise the authority if such exercise would in their opinion result in an increase in earnings per share and would be likely to promote the success of the Company for the benefit of its shareholders as a whole.

Any ordinary shares purchased pursuant to the authority conferred by this Resolution may be cancelled or held by the Company as treasury shares, within the limits allowed by law. Such treasury shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees pursuant to the Company's employee share schemes or otherwise disposed of by Directors in accordance with the requirements of the relevant legislation and the authority relating to rights of pre-emption granted by the shareholders in general meeting.

This authority will expire (unless previously unconditionally renewed, varied or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 18 months from the date of this Resolution.

During financial year 2013, the Company made no market purchases of its own ordinary shares.

The total number of ordinary shares which may be issued on the exercise of outstanding options as at 7 June 2013, being the latest practicable date prior to publication of the Notice of AGM, is 7,311,621 which represents 2.70 per cent. of the issued ordinary share capital of the Company (excluding treasury shares) as at that date. If the Company were to purchase shares up to the maximum permitted by this Resolution the proportion of ordinary shares subject to outstanding options would represent 3.00 per cent. of the issued ordinary share capital (excluding treasury shares) as at 7 June 2013, being the latest practicable date prior to publication of the Notice of AGM. There are no warrants outstanding.

Resolution 22

This Resolution renews the authority given at last year's annual general meeting for the Company to call general meetings (other than annual general meetings) on 14 clear days' notice. This Resolution is required pursuant to the Companies (Shareholders' Rights) Regulations 2009 which increase the notice period for general meetings of the Company to 21 days, unless shareholders approve the calling of meetings (other than an annual general meeting) on 14 days' notice by an annual special resolution. It is intended that the shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole. The Company is also required to meet any applicable requirements for electronic voting under the Companies (Shareholders' Rights) Regulations 2009 before it can call a general meeting on 14 days' notice. The approval granted by this Resolution will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

Notes to the Notice of AGM

1. The right to attend and vote at the meeting is determined by reference to the Company's register of shareholders. Only a shareholder entered in the register of shareholders at 6.00 p.m. on 16 July 2013 is entitled to attend and vote at the meeting and a shareholder may vote in respect of the number of ordinary shares registered in that shareholder's name at that time. Changes to the entries in the register of shareholders after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

2. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the AGM. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A pink Form of Proxy which may be used to make such appointment and give proxy instructions for use at the AGM is enclosed.

3. To be valid, a Form of Proxy, duly completed, signed or sealed (as appropriate) and dated must be returned to the Company's Registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA so as to arrive no later than 11.00 a.m. on 16 July 2013.

4. The Form of Proxy must be executed by the shareholder or his or her attorney duly authorised in writing and (in the case of an individual) must be signed by the individual or his or her attorney duly authorised in writing or (in the case of a corporation) be executed either under seal, on its behalf by a duly authorised officer or attorney of the corporation or in any other manner authorised by its constitution.

5. In the case of joint registered holders, the signature of one holder will be accepted and the vote of the senior holder who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority will be determined by the order in which the names stand on the register of shareholders of the Company in respect of the relevant joint holding.

6. Alternatively a shareholder may appoint a proxy or proxies electronically either via the website run by Equiniti at www.sharevote.co.uk using the Voting ID, Task ID and Shareholder Reference Number provided on the pink Form of Proxy or, if such shareholder is a CREST member, by using the procedure described in paragraph 7 below.

7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual, which can be viewed at www.euroclear.com/CREST. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by no later than 11.00 a.m. on 16 July 2013. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST personal members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting

service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

8. Any corporation which is a shareholder may appoint one or more corporate representatives who may exercise on its behalf all of its powers, provided that they do not exercise their powers differently in relation to the same shares.

9. Any person to whom the Notice of AGM is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a “**Nominated Person**”) may have a right, under an agreement between him or her and the shareholder by whom he or she was nominated, to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

10. The statements of the rights of shareholders in relation to the appointment of proxies in paragraphs 2 to 7 above do not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by shareholders of the Company.

11.
