## Notes

### Order book business

#### Order and quote charges

##### 1 Non-persistent orders

Any order which cannot reside in the order book is considered to be a non-persistent order. This includes orders with any of the following characteristics:

- validity type 'ENE' (Execute and Eliminate)
- validity type 'FOK' (Fill or Kill)
- market mechanism type 'AA' (Aggressive Type A)
- market mechanism type 'AB' (Aggressive Type A)

##### 2 Order management surcharge

The order management surcharge applies, in addition to any applicable order management charge, to each order event (order entry, order modification and order deletion) in excess of the applicable figure in the table below. All automatically executed trades (fills on the Exchange trading system) during continuous trading and auctions are counted. The surcharge is assessed separately for each member firm in each segment on a daily basis.

Security	Number of order events per electronic trade permitted before order management surcharge payable
FTSE 100 and FTSE 250 Index securities	100
Exchange Traded Funds and Exchange Traded Products (ETCs & ETNs)	200
All other securities	No order management surcharge

Modifications arising from the entry of enhanced quotes in FTSE 100 Index securities are included when assessing the order management surcharge.

##### 3 Quote management charge

An alternative charging model for Covered Warrants and Listed Structured Products is available on application and is charged at £10,000 per 100 messages per second per month.

#### Exchange charge

##### 4 The charge for each order executed, is by reference to the cumulative value traded on the order book by the member firm in the current billing period. Each order execution will be charged in accordance with the banded structure set out in this document, subject to the minimum execution charge.

##### 5 This tariff does not apply to orders executed by a registered market maker in a Smaller Company<sup>6</sup>.

##### 6 Execution by a Smaller Company Registered Market Maker

Executions by Registered Market Makers in any security in which the market maker is registered qualify for this tariff. Smaller companies are defined as follows:

- FTSE SmallCap Index securities
- AIM securities
- International Bulletin Board securities
- SETSqx securities
- SET3 securities
- Exchange Traded Funds
- Exchange Traded Products (ETCs & ETNs)
- Covered Warrants and Listed Structured Products

Each executed order contributes towards the cumulative value traded for charging within note 4.

##### 7 Hidden & non-displayed portion of Icebergs

A premium is payable on the execution of Hidden Limit (HL), Mid-price Pegged (MP) and the persistent, non-displayed part of an Iceberg (IB) order. The premium is not payable on iceberg executions where:

- the execution is of a visible peak; or
- any part that executes immediately on entry to the order book

##### 8 Other on Exchange business

Includes all business reported to the Exchange for which there is not a trade report automatically generated by TradElect.

##### 9 Trades reported by Registered Market Makers in any security in which the market maker displays quotes on TradElect qualify for this tariff.

##### 10 Gilt-edged and fixed interest securities

Trades in gilt-edged securities between a Market Maker and:

- a gilt inter dealer broker are charged at 50% and 25% respectively of the published tariff;
- a member firm that is neither a market maker nor a gilt inter dealer broker are charged to the non-reporting party.

#### Market Maker Registration charge

##### 11 The charge per security is payable per security up to the number of registrations within each category shown here. Subsequent registrations in that category of securities are free.

##### 12 Includes any other security in which market makers may be registered to display quotes on TradElect.

#### General information

All charges are payable monthly in arrears.

All charges are quoted in UK sterling and exclude VAT.

London Stock Exchange plc relies on the data submitted to it to calculate charges. Trades submitted in error may incur a charge. Any invoice queries including, without limitation, any request by a customer for repayment of overpaid charges must be made within three months of the end of the month to which the relevant invoice relates. The customer shall not be entitled to query an invoice and/or claim repayment of any overpaid charges after this period.

London Stock Exchange plc reserves the right to amend any prices at its sole discretion.

For terms and conditions relating to the charges, please refer to the Rules of the London Stock Exchange, the Trading Services Order Forms and User/Subscriber Agreements.
