

FTSE Russell Japanese Real Estate Investment Trusts (J-REITs) Consultation – Next Steps

30 September 2019

FTSE Russell recently consulted index users and other stakeholders on whether Japanese Real Estate Investment Trusts (J-REITs) should be considered an eligible security class within the FTSE Global Equity Index Series (GEIS) and associated indexes.

FTSE Russell would like to thank all those who responded to the Index Eligibility of J-REITs Consultation.

FTSE Russell has reviewed the responses to the consultation and subsequently discussed these with FTSE Russell's external independent advisory committees and as a result of those discussions FTSE Russell proposes to assign J-REITs an eligible security class within FTSE GEIS and associated indexes commencing in conjunction with the September 2020 FTSE GEIS semi-annual review.
