Food provenance

Local Larder

We make sure you get to enjoy menus created from your local larders in London. We love to support local businesses and are always seeking out new local food heroes to work with.

Sourced With Purpose

As a business we don't procure, we partner up. We ethically source, focus on producers and growers who care about their impact on the planet and are proud of the diverse nature of our supply partners.

Award Winning Team

At LSEG we have a team of chefs that are passionate about delicious, seasonal food and delivering experiences that will be hard to forget.

Head chef Jess is at the cutting edge of the culinary adventure and won the Craft Guild of Chefs Award Rising Star. She was recognized for being a force within the industry and is focused on not only the development of dishes but also her team. Together with Greg our Executive Chef they nurture and develop the chefs to consistently push the boundaries of corporate hospitality.
